**Myeloma Canada**

**Martine Elias, Executive Director**

**Please donate generously, table located next to the left of the stage.**

Net proceeds from the Bearfoot Bistro World Oyster Invitational & Bloody Caesar Battle will be donated to Myeloma Canada. Myeloma is the 2nd most common blood cancer. Every day, 11 Canadians are diagnosed with this incurable cancer, yet despite its growing prevalence, few people have ever heard of it.

While there currently is not yet a cure, people with myeloma are living longer and better lives, thanks to tremendous advances in research and treatments. More needs to be done in terms of awareness, funding, and research so people are diagnosed earlier, and a cure can be found.

Myeloma Canada is a non-profit organization dedicated to improving and empowering the lives of all Canadians affected by myeloma, accelerating access to the best care, while pursuing the prevention and cure for this disease.
